## CONTACT MOORAGE CHAIR ABOUT MAINSTATION SEASONAL SUBLETS

*Posted by Dan Heffernan, Moorage Chair*

It's that time of year where members start thinking about their Spring and Summer cruising plans. If you have a boat moored at the Mainstation AND you will be cruising for an extended time period, you might think about subletting your slip to another member. If so, now is the time to submit your Request to Sublet. This is an easy process to get through. To indicate your interest to sublet your slip, please complete the Request to Sublet Moorage form found under the Forms heading on the QCYC website. In addition, if you are a member that would like to sublet a slip, please complete the Request for Sublet Moorage form found under the Forms heading on the QCYC website. So far, we have only "2" sublets available with plenty of club member requests. The Moorage Committee will be assigning these sublets during the month of April with priority going to Winter moorage requests. If you have questions, please contact Dan Heffernan, QCYC Moorage Chair by email ([nwrunner123@gmail.com](mailto:nwrunner123@gmail.com)).

## Vice Commodore's Report

# BRIDGE IS OPEN TO NEW IDEAS FOR EVENTS & ACTIVITIES

Posted by Michael Day, Vice Commodore

When was the last time you looked at the social events on the Queen City calendar? There are so many different types of events. Everyone knows the big ones – like Opening Day at the Mainstation and the Eagle Harbor gatherings on Memorial Day, July 4, and Labor Day. There is also the immensely popular outstation birthday party for Secretary Wood where a little bit of spring cleaning gets done. We also have the cruises led by our Fleet Captains, including the Daffodil festival in Tacoma. And of course, there are parties and dinners throughout the year. What else are you interested in doing?

In the not-too-distant past we have had a few experiments find their way onto the calendar. I am thinking of Agave Madness, Robbie Burns, and Low & Slow. These are just a few crazy ideas members decided to give a try. Tradition and evolution are what keep this club vibrant.

P/C Krows' return of the ice cream social following regular meetings rounded out our Wednesday nights. Commodore Bedner's

Kitt & VC Michael Day at the Fleet St. Paddy's Day weekend

revival of the Friday night socials following COVID has been a success. The Speaker series was reinvented by Captain Rutten. I begrudgingly must acknowledge Closing Day as well.

However, there is something about that dock cart drill team that just isn't right. Kitt and I have been kicking around a few ideas with

other members for next year. For example, we could have competitive trivia with a visiting yacht club. Tyee has expressed interest. We could open the bar on Friday evenings. Building on a recollection of Capt. Redding, we could fire up the grills outside and members could meet for a late happy hour or an early dinner. We could have a home brew tasting competition if we could round a few closet brewers.

When you are out cruising this season, kick around a few ideas. Use your imagination. We are open to giving just about anything a try if there is a little enthusiasm and a low risk of bringing the clubhouse down. If it is really crazy, Secretary Wood prefers we do it at the outstation. Opening Day countdown clock is officially on!

## VOLUNTEERS NEEDED FOR THE QCYC OPENING DAY CREW

Posted by Dorothy Dubia

"Game On!" Is the theme of this year's Opening Day, and whether your "game" is eating, drinking, dancing, chatting, or cheering, there's something for everyone at Queen City Yacht Club during Opening Day week, Wednesday, May 3, to Sunday, May 7. And you can be part of the team that makes it happen. Queen City will get its "Game On!" with several reasonably-priced dinners, a breakfast, a float in the marine parade, a special shirt for your collection, and games. Boaters from visiting yacht clubs will wander our docks and clubhouse, and will be able to access Seattle Yacht Club docks via a free shuttle, which runs all day, Saturday, May 6 (and most of the night). Help is always needed. You can join the team at the Opening Days Volunteer Sign-up on Saturday, April 2, 2 p.m. to 4 p.m. or contact Peggie Evans at pcevans19@gmail.com, and she'll steer you in the right direction.

A big thank you to everyone who came to help with the grounds work party on Saturday, March 4, despite the less than lovely weather. It was 39 degrees and pouring rain for most of our time. Brave souls included Rear Commodore Doug Genord, Shauna Bennett, Mike and Susan Burke, Ken Knoke, Gordy Foote, Dave and Lynne Hancock, Jeff and Mary Green, Jack Connick and Denise Kitchel, Sandy Smith, Eric Lindbeck and the real hero of the day, Kaye Brunson who organized, planned, purchased and did all the background work. We got nearly everything on our list done. We're going into Spring in good shape. Thank you Volunteers!! You make this club great!!

## Rear Commodore's Report

# JOIN UP FOR POWER WASH PALOOZA & PRIDE OF QUEEN CITY

Doug Genord, Rear Commodore

Before I begin this month's call for volunteers, I wish to extend best wishes to Nick Castrow and his family as he faces serious medical challenges.

Welcome to April. Prime boating season is nearby. Opening Day is just weeks away, and we have much to do to get our vessels and club facilities in shape for the season. Opening Day events take place over five days where we welcome numerous members, yacht clubs and guests to our mainstation. The club has two major events to prepare our mainstation for all this activity. Power Wash Palooza is an event where a dozen or so folks use power washers to clean different areas outside the club house and the club's grounds. Pride of Queen City is another event that entails projects around the grounds, docks, and club house. Pride of Queen City requires the support of dozens of volunteers.

As Rear Commodore, I am responsible for fielding a strong cadre of volunteers to

*Doug Genord, Rear Commodore*

staff these events.

The Power Wash Palooza starts at 9:00 am on Saturday, April 22nd. We have about 13 different areas that need cleaning.

Getting a ½ dozen folks to come out and

support it won't cut it. We need your help to make the work manageable for each of us. If you have a power washer and hose, please bring it. If not, let me know and we will make sure one is available. Please register for the event on the club calendar. Your questions can be addressed by reaching out to me (dcgenord@usa.net, 206-459-6720) or my co-chair Jim Hernandez (jimbo\_h69@hotmail.com). Pride of Queen City starts at 9:00 am on Saturday the 29th of April. It will require numerous volunteers for numerous tasks around the grounds, club house and docks. Whatever your skill sets are, we can use your help. Please, Please, Please consider volunteering. Please register for this event on the club calendar. Contact me if you have any questions. Lunch and snacks will be provided.

## JOIN THE OUTSTATION WORKPARTY APRIL 14-16

Posted by Barb (and the Jr. Editor) Eric Wood, Outstation Co-Chairs

The Bainbridge Island Outstation has a new front door! The old doors did not close completely for some time, despite adjustments by several skilled Members. Of course, some finishing work was needed - Member Rico Adams put his carpentry skills to work and P/C Scott Grimm spent hours connecting the security system, while The Jr. Editor A.K.A. Old-What's-His-Name, Eric, sat around "supervising" (Jr. Editor's note - I managed the laborers).

The Tarettes have purchased a number of items for this site over the years, including the deck box that holds children's life jackets and some toys. That deck box needs replacement and the Tarettes bought a new one! Its assembly will be one of our workPARTY projects (Jr. Ed. note - Whew! Another job avoided).

Speaking of workPARTY, this year it's the April 14-16 weekend. This is a once-a-year event, and it is amazing how much fun 40+ people have, and how much is accomplished! Friday is a prep day, Saturday is the busy day completing projects (inside, outside, yard, docks, etc.), and Sunday will be the final cleanup. Meals and refreshments are provided beginning-to-end. (Jr. Ed. note - that's a lot of managing for an old guy...)

This also happens to be Eric's birthday weekend (Jr. Ed. note - happens to be? Are you kidding???) Something chocolate is always served after Saturday evening's dinner! See you at Bainbridge soon -

### NEW MEMBER ORIENTATION, MAY 19-21

Posted by Barry Rutten, Education & New Member Orientation Chair

The Education Committee is pleased to announce the return of the very popular QCYC New Member Bainbridge Outstation Orientation Cruise on the weekend of May 19-21 at your Bainbridge Island Outstation. If you've joined QCYC within the past 36 months or so and haven't attended an outstation orientation, we invite you to attend this Cruise-In by boat (preferred) or by car (ferries are boats, right?) and learn about your Bainbridge Island outstation. We want to make you feel completely welcome and familiar with the facilities, customs and opportunities presented by this jewel of a property. There'll be a detailed dock, grounds and building tour (old timer secrets revealed) that'll make you an expert on all things outstation in no time! We'll even show you how to light the indoor BBQ without blowing up the building or melting your eyebrows!

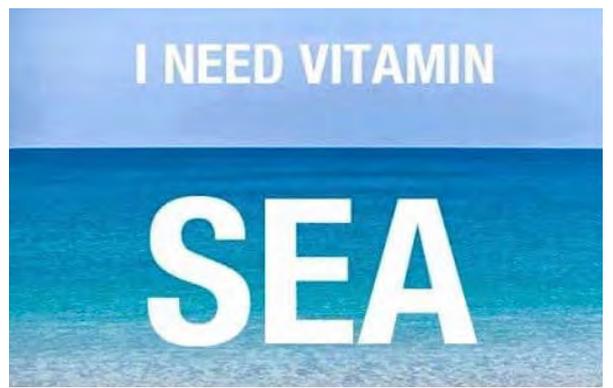

We also want to help you become familiar with the town, so you'll want to join in the very popular and highly competitive team photo scavenger hunt, with great QCYC Ship's Store and other prizes! A tradition of this event that

encourages volunteerism and gives you an opportunity to contribute to the outstation in a long-lasting way is the Group Project...the details are super-secret until you're on site, but here's a hint: bring some clothes that can get a little dirty. Don't worry....you'll be very proud of your contribution and make new friends!

There will be group meals and lots of opportunity to get to know your fellow new members and your Outstation. We may even give you a few minutes to relax on your boat! A detailed agenda is being developed and will be shared soon. For now, hold the date and sign up! Please RSVP for the event on the QCYC website, so we can plan for meals and events. The link to the sign-up form can be found on the club calendar or on the Events page. We had to take a break during the pandemic (boo!), so we expect a big turnout this year. In the past, we received so much great feedback that this was a fun and educational event. Most of all, it made new members feel very comfortable to come on out to the outstation on their own, which is what we want you to do! Join us!!

# THANKS TO VOLUNTEERS FOR A HUGE DOCKS FUN DAY

Posted by Chuck Gould, Docks Co-Chair

Record turnout, and then some! Our docks crew assembled the pipe frames that Eric Lindbeck designed for Dock Two. The plan is to build and pre-plumbed enough of these to service all the hose bib locations, install them, and then connect them with the horizontal plumbing runs. This elevates the faucets for easy access, and provides a drain at each location if it gets so crazy cold that it makes sense to shut off the water completely and drain the water out of the lines.

Docks crew are plumbers AND wood workers too
