REGATTA SAIL REPORT

QCYC SAILORS COMPETE IN SWIFTSURE MEMORIAL DAY RACE

QCYC Captains Karl Bower (#488) and Scott Kanlyn (#432) took their hearty crew to the Royal Canadian Yacht Club's Swiftsure International Yacht Race over Memorial weekend. Starting and ending in Victoria, BC, Canada, the Swiftsure is international

because the midpoint markers for the four long courses are in U.S. waters. Karl reports: "We didn't place this year unfortunately, but it was an amazing race! We finished in just over 27 hours. The tides weren't as bad as previous

VOLUNTEERS NEEDED FOR COMMITTEES & EVENTS

VICE COMMODORE'S REPORT – Wow! What a party! OMG, the food is fabulous! What do you mean it's sold out? Where's the beer? Why is it raining? Can I have seconds . . . please?!!! Where 's the beer?

These just a few of the comments overheard at the "3rd Annual Queen City Yacht Club 'Low and Slow' BBQ Competition" recently held in the Mainstation "U". Photos are on pages 8-9.

Many thanks to everyone involved, particularly the Pitmasters who lent us their time and amazed us with their talent. To Greg and Kathy Satoro who co-chair the event. To Jimmy Damery (Captain Crabby) who's attention to detail is incredible, and especially to Karleen Reed who planned and project managed this event for the last six months.

Should we do it again next year? The "ayes" have it! Mark your calendar for Sunday, June

Mark Reed

2nd, 2019.

Now that the elections are over, and the 2018-2019 Bridge has been announced, Karleen and I are so excited to begin the process of planning and transitioning into our new role. We look forward to working with Sandy and Terron and bringing you all a year to remember.

A big part of that transition process is filling over 60 (yes, 60!) event and committee chairs with volunteers from our great

all-volunteer club.

While many of the committee spots will be filled by existing folks (some have done these jobs for many years) there is always opportunity for anyone who is willing to step-up and pitch-in.

How about hosting a Friday Night Social? Maybe run the Ship's Store? Be a Bartender? Organize the Pride of Queen City? Work on the Bilge Pump? The opportunities are varied and endless.

No matter if you are a brand-new member or have been here for 40 years, everyone brings unique talents to the club. Please let me or any Bridge member know what you would like to do, and we do our best to make it happen.

In conclusion, Commodore Grimm, his Fleet Captains and his teams have planned us a great summer of events, cruises and fun for all. It's time to take advantage of all Queen City Yacht Club has to offer. Go online and sign-up.

Enjoy and see you on the water.

–Mark Reed, Vice Commodore

www.mactops.com

The dock carts have taken, not well, to swimming and wandering. Changes are afoot to keep them readily available.

Spaces or hyphens should appear here.

Docks Doin's

OUR DOCK CARTS MUST SUFFER FROM DYSLEXIA.

At the end of each pier, near the gate, is a sign that reads "No Swimming in the Marina, by Order of the Commodore"

Recently, some of our dock carts have taken a dip. Perhaps they have also fallen victim to electro shock paralysis, as none of them seem able to swim a lick. They have been hauled out, semi-submerged, by members who notice them drifting by. All of the carts thus far rescued have been the fiberglass variety. We're missing all but one of the aluminum carts; due either to their lack of inherent buoyancy or their paltry value at the local recyclers.

Watch for an upcoming change in the way we QCYC members manage the use of our dock carts.

1) There will very likely be a bridge request that members put unused dock carts *inside* the locked gates on each pier.

2) There will be new signs installed near each gate, reminding members to leave the cart inside the gate when finished.

If this creates a passage hassle (thinking mostly about Dock Three) we may consider a cable lock system, with combo lock, that would allow for continued exterior storage. In any event, we'll all need to work together

for the common good- even if it requires the difficult step of adjusting old habits.

If we see a cart that another member has accidentally left outside and unsecured, it would only take a moment to move it to a safer location.

—Chuck Gould

Docks Committee Chair

MOORAGE REPORT

IT'S TIME TO GET LEGAL! 2018 BOAT REGISTRATION EXPIRED ON JUNE 30

Captains -- Don't Forget! All 2018 Washington State Boat Registrations for non-documented vessels expire on June 30th. If you have not done so already, please renew your Washington State Boat Registration and affix your 2019 Decals to each side of the bow, toward the stern of the registration number and in line with the number.

A big thank you to all the QCYC Captains moored on Dock 1 who graciously moved their boats during the Dock 1 Construction Project in May. And Huge Kudos to Ron Stevenson and the Docks Committee for expertly managing this necessary work on Dock 1.

Have a safe and enjoyable Boating Season!

—Michele Bedner

FLEET CAPTAIN'S REPORT

SUMMER CRUISE SET FOR AUG 4 TO AUG 12, U.S. & CANADIAN SAN JUAN ISLANDS' TOUR

The WHITE party celebrating summer and boating season was a success. Well attended by a cross section of members from brand new to long time. The attendees were greeted with a champagne welcome and enjoyed tasty hors d'oeuvres from Willie and Peg. A great time was had catching up with old friends, making new friends, planning summer cruises and dancing the night away with DJ - Todd Imori.

Next Fleet Captains event is the club's official summer cruise August 4th-12th in the US & Canadian San Juan islands. Please join us. Details and registration are on the QCYC website.

Fleet Captains

OUTSTATION REPORT

WiFi UP AND RUNNING WHILE MR. FIXIT TACKLES TASKS

Things have been busy the last month or two - the Bainbridge Outstation workPARTY was a

QCYC website new features

As we're back into the cruising season with lots of facility activity, members are reminded to report maintenance / repair requirements via the web site's facility repair page. If it doesn't get reported, chances are it won't get fixed. Check out new club web pages concerning the bar under the facility setting on the menu.

—Bill Brunkhorst, QCYC Website Co-Chair

successful event. More than 40 people participated, despite the drenching wet weather, and we got nearly all of the projects done!

As you saw in last month's "BilgePump," the shower remodels were completed and they turned out beautiful. Also, thanks to Bill Packard, we found someone to redo the concrete on the north side that had become a hazard because of a tree root burrowing underneath.

Off-Season moorage at the Bainbridge Outstation ends May 15th and will not begin again until September 15th, so the entire dock will be open to visiting Members.

Sounds like many fun events are planned this summer and we are sorry we're going to miss them - we will head North and be gone the whole summer on "BarbEric." Several couples have again volunteered to be "Summer Hosts" - please help them with mowing, watering and all the things it takes to keep the place in smooth working order. See you

end-September! Safe and happy boating, —Barb Wood, Outstation Co-Chair

**** NEWS FLASH **** (from Old-What's-His-Name)

The Bainbridge Outstation has been overrun by thousands of giant snakes - they appear to have nested in the rocks under the pier!!! The Bainbridge Outstation is closed for the Summer. KEEP AWAY!

—Captains Nadeane & Tim Rutledge,
July Outstation Co-Chairs

SPEAKER SERIES CONCLUDES SEASON WITH 2 SPEAKERS

The June 27th General Meeting marked the last Speaker Series presentation until October, due to the summer break and the change of watch in September.

"It's been a great season of speakers and we've had amazing attendance and enthusiasm from the membership," according to Presentations Committee Chair and "Speaker Wrangler" Captain Barry Rutten.

The presentation on June 27th by Jacques White, Executive Director of Long Live the Kings (king salmon that is!) showed how 30 years of hard work, applied science and volunteerism were being used to aid in salmon recovery, preserve this valuable species of fish in the Salish Sea for us and our much loved Orca whales that rely upon them for food.

A second presentation by Chuck Perry, Kenmore Air Chief

QCYC HISTORY

FANTOME ON PORTAGE BAY IN THE 1940'S

Great Britain went to war with Germany in 1939. Immediately after the declaration, British vessels on the high seas were at risk of attack by the German navy.

Arthur E. Guinness, (renowned brewer and record keeper), owned the yacht "Fantome". [Not to be confused with an identically named vessel currently among the QCYC fleet]. When the war first broke out, the US remained officially neutral and "Fantome" sought refuge in US waters. One day in 1939, she motored through the locks, proceeded down the canal through Lake Union, and dropped anchor in the middle of Portage Bay.

The crew rowed ashore and landed at our neighbors' facility, the Seattle Yacht Club. Perhaps Guinness had reciprocal privileges there.

"Fantome" swung around the hook in Seattle for almost 14 years. When the war was over, King County demanded that Guinness pay property taxes for his use of the moorage. Guinness refused.

The boat remained in Seattle until that issue was resolved.

Aristotle Onassis purchased the "Fantome" and offered her as a wedding present to Grace Kelly and Prince Rainier. In 1969, title passed to Windjammer Barefoot Cruises and the vessel renamed "Flying Cloud". She sank during a Caribbean hurricane in 1998. Her passengers had been offloaded, but a crew of about 30 remained aboard to "ride out the storm". None survived.

–Chuck Gould

JUNIOR BOATING CAMP FILLS UP FAST, SAFE BOATING IS NO ACCIDENT

Another exciting summer of the Queen City Junior Yacht Club boating day camps are conducted weekly during nine weeks beginning on June 25. The program is for junior boaters 9-14 years old to participate in any of our weekly day camps from June 25th through the week of August 24th, 2018. A hearty group of rallied on in June to prepare the fleet for another year of teaching boating safety and sailing to our eager young children. Camp Tuition is \$335 per week, \$605 for two weeks for the same child

our boaters of tomorrow!

Our junior camp is unique since we maintain small class sizes. This class size ensures every student gets the attention and coaching they need to improve their sailing, boating and water safety skills. In fact, every student will enjoy at least one individual session with our experienced counselors so that each camper learns how to enjoy the water by becoming more responsible on the water.

QCYC Summer Cruise

AUGUST 4 - 12

Fleet Captain's Report

The Summer Cruise will be our last official Fleet Captain event and we're looking to go out with a bang! Literally! We'll spend seven fun filled days in the San Juan and Canadian waters and hope to have many of our yacht club friends and fellow boaters join in.

As you take a look at the following itinerary, know that there are a limited number of slips reserved at the ports, so don't delay in signing up to help ensure your slip is with the group!

August 4th: Garrison Bay Raft Up

Please come raft up with us in beautiful Garrison Bay and kick this cruise off with the club's first "progressive swim step drink and appetizer party".

August 5th: Reid Harbor Anchoring

For those who are up to the challenge, we'll be hiking to the lighthouse for a picnic lunch.

August 6th - 7th: Roche Harbor

So much to do here! We are planning a costume happy hour on the docks and a ride on the Jolly Trolley to see all the sights of the island. And we have something special planned for colors, so don't miss this stop!

August 8th - 9th: Port Sidney Outstation

Hello Canada! While the outstation is lovely, we have options here. Take a bus to Victoria for a look-see or stroll the bustling Sidney Street Market.

August 10th: Mill Bay Outstation

Slowing things down a bit with a quick layover at our outstation for a QCYC-style dock party!

August 11th: Tod Inlet Anchoring

And the grand finale is reserved for a day at Bouchart Gardens and a waterfront view of the fireworks!

Register on the Queen City website as soon as possible!

EIGHT BELLS

BARBARA REINE 1946 – 2018

Captain Barbara Reine, club number 335 crossed the bar on April 27th of this year after a long bout with early onset Parkinson's disease and Lewy Body dementia. Barbara was 72 years old when she passed. Barbara was born April 6, 1946, one of the first Baby Boomers. Her parents lived in Lake City and she lived her whole life in North Seattle. Her grandparents built the very first home on Finn Hill.

Barbara's parents kept a cottage on Lake Roesiger, near Monroe, where she developed a love of the water and became an excellent swimmer and later a skilled snorkeler and a qualified scuba diver. She was also attracted to boating, ultimately receiving the "Skipper of the Year" award from the Power Squadron.

She graduated from Ingraham High School and went on to receive a BS degree in Biology in 1968 from the University of Washington following in her father's footsteps. She continued in Grad school at the UW and received a MS degree in Botany. Sample collections for her research on lichens took her up and down the entire west coast and to Hokkaido Japan. She joined

the staff of the UW Botany Dept. and taught hundreds of students and faculty members the art and science of electron microscopy. She received national awards for the beauty and illustrative science of some of her outstanding electron microscope images of equisetum (Horsetail).

Barbara greatly enjoyed the outdoors, gardening, hiking the Burke-Gilman, and boating, as well as traveling, cooking, photography, and reading, especially cookbooks.

Her canine companion, Barney, was never far from her side.

In addition to Queen City Yacht Club, she was a member of the Navy Yacht Club Everett and the Seattle Sail and Power Squadron where she served as Commander. She also was a member of RBAW (Recreational Boaters Assoc. of Washington).

She was active in many civic and professional organizations including the Mountaineers, Wallingford Community Council (serving 2 terms as president), served as Secretary of the Microscopy Society of America and was their Treasurer for one

the first international conferences at the (then) new WA State Conference Center.

Barbara joined Queen City in 2010 and she and Bob enjoyed weekends at our Bainbridge outstation, attended socials and were faithful attenders at Friday lunch and General Meetings. She was just beginning to be more involved when she was diagnosed with the awful Parkinson's disease and Lewy Body dementia. She and Bob owned the "Tillicum" a 40' Hershine a diesel cruiser.

She leaves behind cousins Doris Snow of Kirkland and Betty Knutson of Kirkland and Dr. Allister McDonald of Aberdeen Scotland, loving life partner Bob Fisher and many friends and colleagues.

—Ken Klett
Chaplain

EIGHT BELLS

CONRAD NORMAN NELSON 1929 – 2018

Captain Con Nelson crossed the bar on April 11th at 88 years old. Con was one of most popular and loved old-timers especially by his buddies at his favorite Friday Lunch table. His table mates at Friday Lunch were so stricken by Con's passing that they created a "Friday Lunch Memorial Place Setting" in Con's empty seat (see photo).

Con had an interesting life, he was born and grew up in Ketchikan, Alaska, where he crewed on his father's commercial fishing boat during summers as well as on other fish boats that need an extra crewman. During his late years in high school, Con and his mother moved to Seattle and Conrad graduated from Franklin High School. He then attended the University of Washington where he earned a Bachelor's degree in Business. While living in Seattle after graduation, Con often had dinner with commercial fishing friends he had crewed for in Alaska. They often talked about their niece who had also graduated from Franklin - one thing led to another and Con

declared he wanted to meet this niece. After a courtship, Con and Jo-Ann, the niece, were married! They enjoyed a 57 year marriage and had two daughters and four grandchildren.

Con's grandson Brandon Foster wrote this about his grandpa: "Husband, Father, Son, Brother, Friend, Captain, Husky, Fisherman, Norwegian, Mentor,

Role-Model, Angel, Grandpa. April 11, 2018 marked the last day of Conrad Nelson, my grandfather's, life. He died at the age of 88 a couple months short for what would have

been his 89th birthday. My grandpa's life is not measured in the number of years he spent here. His life is rather measured in each moment, big and small, he spent impacting the relationships he built, in the well-deserved titles listed above. Up until his last day, Conrad, spent the entirety of his life impacting and improving the lives of those around him.

My grandpa lived a full life and was loved and admired by all those who were lucky enough to have met the man.

From my grandma and my family, who he loved with each and every bone in his body, to his fellow Huskies, Boaters, Friends, my Grandpa has memories and experiences that are etched in the

history books forever.

Now, he continues his next chapter where he and God start creating experiences and continue to look out for all of us. You will be missed Grandpa. Thank you for all the experiences and moments we created with one another and thank you for showing me the path towards becoming a better person. I love you & we will see each other again one day."

Con worked for many years in the glass industry and then finished his working career as the office manager of the Nile Temple.

Captain Nelson joined Queen City in 1982 and was a very active and contributing member achieving life membership in 2007. He served our club on many committees including Advertising for 7 years, Club Manager for 6 years and stints as Supply Officer, House Chairman, Bar Committee and the Annual Committee. He and Jo-Ann enjoyed many club socials, dinners & dances. They owned two boats while members the "Party Time" a 31' Fairliner and the 44' Viking, "Party Time II" on which they happily lived aboard for five years at the club before moving to their current home in Des Moines.

Con will be very much missed by Jo-Ann and family and many, many friends.
