## Zombie Land Invades Main Station

Tim and Krissy Connelly channel Davy Jones at Zombieland

A nice crowd of members and guests donned their best 'Zombie' look for a fun filled Halloween party on the third deck. Willie's 'small bites' heavy appetizer finger foods were ideal for stamina to stave off fellow brain eaters. Zombies danced the night away with DJ Brant. Thanks to everyone who helped and attended. And special thanks to Sheri Weiss, and Greg Bolin for their incredible bar tending -- serving "Killer Zombie Cosmos" along with zombie antidotes. And thanks to Chuck Gould and Jim and Heather Brignull for helping to decorate and undecorate. All events need volunteers and these folks were outstanding! Thanks to all!

## Commodore's Report

# VOLUNTEERS WANTED

Happy November! As I write this it is a beautiful crisp sunny day. The leaves on the trees are beautiful combinations of orange, yellow, and brown. This is one of those Seattle fall days that makes me happy to be here! Of course, winter and the holidays are coming soon.

First, I'd like to thank Greg Bolin and Janet Atkins for hosting this year's Halloween Party – Zombie Apocalypse. I'm writing this just before the party, but I've got a great scary costume all set to wear. I'm planning to have a great time! This month is the kick-off of our Fleet Captain, Scott Grimm's, first event – Crab Dinner – on Friday, November 15. Bar opens at 5:30, dinner served at 6:30. Please sign-up on-line. This will be a popular event and we expect a sell out! Next month look for a new section in the Bilge Pump "Volunteers Wanted". I know that many members offer to help, but they might not know where we need help. Here are a few places we are looking for volunteers now:

**HOLIDAY DECORATE THE CLUBHOUSE** – We will be decorating the clubhouse for the holidays on November 22 & 23. If you have decorating talents to show off or are just able to lug around the trees and boxes, come on out. Contact me at [sandywerner@comcast.net](mailto:sandywerner@comcast.net)

**BARTENDERS** – Join the most social area of the club by volunteering as a Bartender! If you are interested, please contact Heather Brignull by e-mail - [kavenga@heatherandjim.com](mailto:kavenga@heatherandjim.com)

**OFFICE HELP** – We all love Elise and the hard work she does for us, but we occasionally need to give her some time off! Please consider volunteering to help

her out. We'd like to have a supply of volunteers so she can reach out on her days off. Contact Elise at [office@queencity.org](mailto:office@queencity.org)  
**SEAFAIR HOLIDAY CRUISE** – December 8 at 1:00pm Volunteers are needed for several key positions, including organizing the Bus Elves, a Dockmaster, and assisting to assign our guests to their boats. Contact Vah Ohlstrom with questions and/or sign up online. [vohlstrom@comcast.net](mailto:vohlstrom@comcast.net)  
Happy Thanksgiving to all our QCYC members!

Sandy Werner, Commodore

Join us for a Fleet Friday  
**CRAB FEED**

Friday, November 8  
Queen City Main Station  
Wet your whistle at 5:30 pm  
Feast on fresh crab, salad,  
bread & dessert at 6:00 pm  
\$30 per person

Join the First Fleet Captains' Friday Frenzy for a heckuva seafood dinner!  
Our team will kill, clean and cook the crab that day!  
Come by boat or land yacht, but make sure you don't miss out.  
Reserve your space at [www.queencity.org](http://www.queencity.org)

# GET ON THE CORRECT MOORAGE WAIT LIST

Having moorage at Queen City is one of the benefits of membership, but we have a limited number of slips and they are in high demand. We have several waiting lists, one for each size and type of slip. Members can be included on the waiting lists by having their boat measured by one of the Fleet Measurers and then submitting an application for moorage. When a slip becomes available, those on the relevant waiting list will be advised and can indicate if they wish to accept the slip. The person with the lowest member number will have the highest priority for assignment to the slip. More details are contained in the moorage rules in the QCYC Annual. I would be happy to hear any suggestions from members and look forward to working with you.

# ROCK WITH THE MACDADDY BAND

## New Year's Eve at the Club

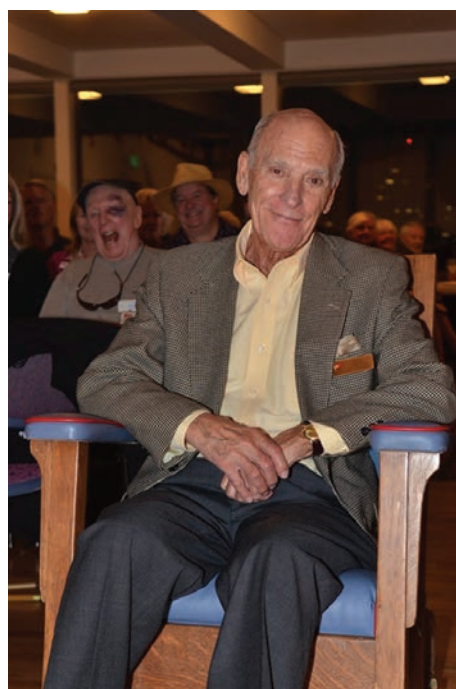

Join the fun on December 31 for the QCYC annual New Year's Eve party! We are rolling out the Red Carpet for a "Night with the Stars" and the Stars are you!

Come dressed in your very best formal, semi-formal or costume attire. There will be awards with prizes for "Best Celebrity Couple" and "Most Glamorous Couple".

We are very fortunate to have the MacDaddy Band on NYE who will be making their QCYC debut. The MacDaddy Band is a six member high energy dance band with five lead vocalists who play four decades of the best party tunes from the 50's through the 80's. They have played for the Seahawks, Nordstrom's and

are a regular at the Tulalip Casino. The MacDaddy Band was voted "Gig Master's Best Band" for eight years in a row. Social hour/appetizers start at 6:30 pm. At 7:30 pm a lavish buffet featuring filet mignon and halibut will be served on 3rd deck followed by dancing to the MacDaddy Band. We will celebrate the New Year on both East Coast and West Coast time. Tickets go on sale November 18th for \$60 per person. Sign-up online at [queencity.org](http://queencity.org). Adult family and friends are welcome!

Vice Commodore's Report

# FALL BACKWARD WITH NEW BATTERIES

I'm fascinated with sleep. Mostly because I lack enough sleep (2:30AM wakeup) and cherish those few times that I get to sleep in. Vice Commodore Denise (2:00AM wakeup) has perfected the "quick nap", whereby she can sneak an afternoon nap, and be refreshed for a late weekday activity...me, not so much. With Daylight Savings Time (DST) upon us, I am delighted that we get an extra hour of sleep.

But are the days of losing or gaining an hour of sleep for DST part of a bygone era? Some even ask, "Why do we have DST?" This year, WA House Bill 1196 asked that Washington observe Daylight Saving Time year-round. Those efforts were successful and got the Senate's approval and ultimately Gov. Jay Inslee signed off on the bill in May. However, WA cannot observe continuous DST until the Federal Government says OK. No one knows when that may happen, so until then, WA will continue to gain and lose an hour with DST, in March and November.

"So what does Daylight Savings Time have to do with QCYC?" I guess I need to tie the two together, don't I? First, everything is going smoothly with Moorage, Docks and House. Second, DST is a great time to remind all of us to replace the batteries in your fire, smoke and CO detectors.

So enjoy your extra hour of sleep and please, replace those alarm batteries.

Terron Lindholme, Vice Commodore

Rear Commodore's Report

# WEBSITE PORTAL FOR ROSTER CHANGES, PARKING OPTIONS & HOLIDAY PREPARATIONS

There is a new Roster Changes Portal on the website developed by Bill Brunkhorst and our office manager, Elise. In addition to updating roster information, the new template also provides the ability for members to upload photos (main purpose is headshot photos for the annual). The new system will also generate an email to the office and annual mailboxes to notify them of changes to be updated. [queencity.org/roster-update-request](http://queencity.org/roster-update-request)

There was an incident recently of a prowler on dock 1 and a paddle board paddle stolen. The suspect apparently came and left by water. An outboard motor from a dinghy was also reported missing by another member. Please take care to secure all property on your boats, lock them whenever possible, and be vigilant regarding persons you may see on the docks who do not belong.

During Non-Restricted Periods, Club Members may park two vehicles, including trailers, on the Clubhouse property. **A Club burgee decal must be affixed to a member's car at all times.** A restricted period parking permit placard is not required.

**There are exceptions:** the week prior

to Opening Day, and at times of other scheduled Club activities including General Meetings and Friday Lunch, only one vehicle per membership, including trailers, shall be parked on the Clubhouse property. A Club burgee decal must be affixed to a member's car at all times and a Restricted Period parking permit placard must be clearly visible.

Parking is allowed only in striped areas. Handicapped parking spaces are not intended for long term use.

As a rule of thumb, please be courteous during high volume parking demands and restrict your parking use to keep spaces available for other members.

As we anticipate a very busy upcoming holiday season, I encourage everyone to participate to the fullest and treat the QCYC club facilities as your home and take the very best care of them.

# EIGHT BELLS EULOGY

**Laurence (Larry) Arthur Keeler**

**1945 – 2019**

Well known and liked, Captain Larry Keeler, member number 199, slipped his moorage for the last time on July 27th at the age of 74. Larry is fondly and widely remembered at the club for his friendly and welcoming personality and for his willingness to volunteer hundreds of hours to make Queen City a better club.

His wife Jean has written a very loving eulogy: "Larry was born in Yakima on February 17, 1945. He and Linda were the second set of twins born to Edward and Dorothy Keeler. In 1950 the family moved to Kennewick where his dad worked as an engineer for the Bureau of Reclamation. In 1954 he was transferred back to Yakima.

Larry started 5th grade at Roosevelt Elementary, then attended Franklin Jr. High and Davis High School, graduating in 1963. He studied at Yakima Valley College until he was concerned about being drafted for Viet Nam, so he joined the Coast Guard in the spring of 1964. Following basic training in Alameda, CA and Radioman school in Groton, Connecticut, Larry was stationed at Grays Harbor Lighthouse in Westport, WA. His next assignment was Radioman on the USCG Cutter Winona, based in Port Angeles. Ocean Station November and going to Alaska in the 255 ft. cutter were grand adventures for a young man who loved being on water.

On September 24, 1966, he married the love of his life and high school classmate, Jean (Drumright). They were happily married for 53+ years as they raised three dear daughters, Julie, Jenna and Jacqueline.

## Career

Larry's career goal was to be a teacher, so even with the challenge of a very young family of five, he earned his BA in Industrial Arts Education from Eastern Washington University in 1971.

After teaching in Moses Lake for two years, he taught in the Yakima School District for 30 years. Not one to be known just as "Old Mr. Keeler in Room 5," he taught in 10 schools, in a variety of positions, including 4th grade, 6th grade, elementary PE, Title One Reading, driver's education, and wood shop, followed by 17 years as the librarian at Franklin Middle School. During those years he achieved certification as Media Specialist and

a Master's Degree in Education. He retired from public education in 2001.

## USCG Reserves

At age 39, he joined the USCG Reserves as a Coxswain. As a Reservist for 25 years, he spent one weekend each month plus 2 weeks during the summer helping maintain over 1,000 aids to navigation on the Columbia and Snake Rivers. Jean understood his big grin as he kissed her goodbye when he left for drill weekends, knowing he would be doing what he loved.....running boats.

He also enjoyed many years of teaching Safe Boating Classes and doing Vessel Examinations as a member of the USCG Auxiliary.

## Volunteering

Larry liked to "give back," which led to many years of volunteering for state parks. Blake Island was our favorite. Ranger Paul Ruppert encouraged us to keep coming back for many years to help manage the docks at this popular park. Although sometimes a challenge, the experiences were deeply satisfying. Larry and Jean also hosted at Fort Flagler and Mystery Bay.

## Boating

Larry's love for the water started at a young age- he owned a boat before he was old enough for a driver's license. He rarely owned just one boat. He spent summers with family and friends cruising inland waters, Puget Sound, and coastal British Columbia. One of his proudest accomplishments was earning his 50 ton Captain's License, which opened more doors, including working as Captain of tour boats at Crater Lake National Park and the Duck Boat tours in Seattle.

## Faith

His quiet faith in God was strong. He joined Bible studies and read the Bible cover to cover several times, striving to develop a deeper understanding of spirituality. As a youth and adult, he loved to sing in church choirs.

## Family

Family came first. Always involved in his children's and grandchildren's activities, he frequently initiated adventures related to their interests. Larry was present for them.....school concerts, swim meets, track meets, ski bus chaperone, President of Band Boosters, building furniture for dorm room.... you name it..... Larry was there supporting their endeavors and cheering them on!

Larry worked as Camp Administrator at First Presbyterian's Camp Ghormley for two summers, much to the delight of his children, who loved living in the forest. He adored his family!

When his mother moved to Living Care, he accepted the job of shuttle driver for the retirement home. He spent a few years driving the residents to their destinations via unexpected scenic routes. He would tell them, "Sometimes the longer route is faster." Of course Jean bought him a shirt that says "Those who wander are not always lost."

## Music

Music brought harmony to his soul. He sang in

the Aeolian Choir at Davis, the YVC Singers, First Presbyterian Church Choir, and the Carriage Manor Chapel Choir in his winter home. As a longtime member of the Yakima Symphony Chorus, he performed in many local concerts, as well as China, Prague, and Vienna. In addition, he and Jean enjoyed attending musical events. When his girls were young, he frequently played the organ to lull them to sleep. During his last weeks of illness, he was comforted with choral music by great composers.

## Hobbies

His hobbies included, you guessed it, boating, as well as woodworking, ham radio, biking, fishing, and tinkering. Exceptionally creative, he could fix anything with whatever he had on hand.

Larry and Jean led an active life including hiking, biking, camping, water sports with their children, world travels, boating in Canada, Mexico, England, and Ireland. They enjoyed the last several winters in Mesa, Arizona exploring the natural wonders of the Southwest and enjoying activities with friends at Carriage Manor Resort.

Larry's adventurous spirit, always looking over the next horizon, inspired us all. He was always sunny with a smile and a twinkle in his eye. A quiet, thoughtful, warm, gentle soul, his children will always call him their Superhero.

## Boating:

Larry was a long time member of Yakima Valley Boat Club and enjoyed serving in several positions, including Commodore.

Larry and Jean moored boats in Seattle, so in 1999, Larry's Uncle Paul Thomas encouraged and sponsored him to join Queen City Yacht Club in Seattle. Being members for 20 years was a great experience as we made friends and explored interesting ports of call. "

The Keelers were active members and volunteers at QCYC. Larry volunteered to run the Opening Day shuttle for years and was Chair one year, were often Bainbridge outstation hosts in the summer, took special people on the Seafair Christmas cruise every year, always worked on the Pride of Queen City cleanup event and helped on innumerable events and dinners.

While members, the Keeler's owned three boats: the "Grandy Vent" a 28' Grandy, the "Happiness II" a 26' Bayliner and their favorite the "Columbia" a 33' Carver.

Larry will be very missed by members of Queen City.

He is survived by his wife of 53+beautiful years, Jean, twin daughters Jenna Thompson and Julie Wilske (Jeffrey), daughter Jacqueline Keeler (Galen Hamilton), twin sister Linda Keeler (Frank Campbell), sister Denise Coulson (Dave), grandchildren Natasha Groenig (Shane), Geneva Hamilton, and Jase Wilske, and great-grandchildren Hudson and Olivia Groenig

# Friends Fun Fellowship

TARETTES

## VOLUNTEER AT TREEHOUSE, ATTEND THE WIC LUNCH & TOUR WING LUKE MUSEUM

Tarettes just keeps getting better! Kathy Satoro was elected & installed as the new Vice President at the **General Meeting in October**. Kathy & her husband, Greg, have been members of Queen City for less than 5 years & have already made impressive contributions to club activities. In her new position, Kathy will be heading up the Tarettes' Memorial Committee.

Lots of purses were contributed to the Purse Exchange (few found a new closet & will be donated) & we learned what the purse we carry tells the world about who we are!

The **Museum Tour & Lunch program, organized by Becky Garvey**, got off to a great start with 6 ladies visiting the Holocaust Museum & lunching at Ben Paris. They experienced great **Fun & Fellowship with Friends** & they strongly encourage others to attend the next event. This will be visiting the **Wing Luke Museum** with lunch at Tai Tung on **Thursday, November 14**.

The next **Women's Interclub (WIC) Luncheon** will be, **November 6 at Tacoma Yacht Club**. WIC consists of all the clubs that belong to the Grand 14. A great time was had by the ladies who attended the September luncheon at Port Orchard YC. They enjoyed time with Tarettes **Friends** in the carpool and met women from other clubs. All women

of the Queen City Yacht Club are invited to the WIC lunches. It is fun to meet the ladies of other clubs & enjoy lunch together. It is a great way to promote boating and friendships. Reservations can now be made & lunch paid for on the club website in the same way other club events are registered. A carpool will be formed to make getting there easy.

We'd love to have you join us at a volunteer work party at **Treehouse from 10 a.m. to 2 p.m. Thursday, November 21**. Treehouse supports the needs of foster children and their families. We typically help the organization by sorting and tagging clothing in their "warehouse" and have fun working together in the process! Then we enjoy lunch together! If you can help, please contact **Barbara Wilson at 206-276-3874 or barbarawilsonphd@att.net**.

**Save the Date; December 12! Annual Captains' Christmas Dinner** at 5:30 PM. Don't miss attending our annual traditional Christmas dinner with entertainment by our QCYC **Desolation Sounds**. Prime Rib and Salmon Buffet will be served! We encourage you to bring family and friends for a special evening. Also plan to support the **Boyer's Children's Clinic** by bringing an unwrapped gift for a child 3 or younger or a gift card from Target, Safeway or Fred Meyer. Sign up on QCYC website.

We will be having a **Zoo Tour** in the spring. Please email me if you're interested in an **Underground Tour** or other events we can do for **FUN!** (kklett2@hotmail.com)

I'm looking forward to meeting new **FRIENDS**, great **FELLOWSHIP & FUN!**

# SUPPORT QCYC ADVERTISERS!

Your Bilge Pump team stepped up this year to raise enough advertising revenue to bring back the print/mailed copy as well as having the Bilge Pump available online and archived on our website. Special thanks to Captains John Steckler and Wendy Redding for spearheading our advertising sales. Thanks to our copy editor Margaret Krows, club office manager Elise Fox, and thanks to our many photo contributors **Krissy Connelly, Denise Lindholme, Michael Abrejera, Debbie Foote, Mary Jo Svendsen, Janet Atkins, and Doug Lindal!** If you have a QCYC photo of members enjoying a club activity, email [pete@deLaunay.com](mailto:pete@deLaunay.com).

For comments about the Bilge Pump, and if you like the print/mailed edition contact our bridge officers. Smooth sailing everyone. Pete DeLaunay, Bilge Pump Editor & Chairman
