**COMMODORE'S REPORT-**  
Welcome to a new season for Queen City Yacht Club!

With the Change of Watch behind us, and the entire new year ahead, it is my pleasure and honor to serve as your Commodore for 2018-2019.

And what a year we have planned!

We already have 25 social events either underway or in the developmental stages. We have several Mainstation improvement projects about to begin. We have Bainbridge replacement pilings permit applications submitted. We have streamlined office and business procedures to unveil. The list goes on and on . . .

It is going to be a fun ride for everyone. All you need to do is keep informed of all the activities, volunteer to help, or just sign-up and enjoy.

## THE QUEEN CITY YACHT CLUB

2608 BOYER AVENUE EAST • SEATTLE, WA 98102 • (206) 709-2000 • WWW.QUEENCITY.ORG

There are many ways to keep informed at QCYC:

- 1) Attend and enjoy the General Meetings - The second and fourth Wednesday of the month
- 2) Read the on-line Bilge Pump - Published on the 1st of every month
- 3) Read the paper version of the Bilge Pump - Published three times and will be mailed to all members this year!
- 4) Check out the flyers on the bulletin boards and tables
- 5) The Website Calendar - Has links to all the flyers and sign-up sheets

In addition to the above communication tools, we will be introducing a "Monday Bilge Blast" publication where we will pump-out all of the week's activities and messages from the Bridge, Event

and Committee Chairs at one time.

The Bilge Blast will be e-mailed to all members every Monday morning and have very short

descriptions of upcoming activities and direct links to the website for more information and sign-ups.

Our first social event of the new year will be the Commodores Ball on Saturday, October 6th. Karin Grimm has planned a very special night and Karleen and I can't thank her enough. If you haven't made reservations, call

Elise right away and see if there are any places left. It will be a night of elegance, great food, music and dancing.

One last note: I reflect on and remember the line from the oath of membership when I was inducted

Mark Reed

into Queen City Yacht Club; "I promise to treat all Queen City Yacht Club members with dignity, honor, courtesy and respect."

As Commodore, I commit to following this simple promise. As members we all take the same oath and expect each other to follow these modest guidelines. Together, by following this promise, we make the greatest Yacht Club in the Salish Sea even greater.

A tip of the cap to a wonderful 2018-2019.

—Commodore Mark Reed

attending club events and participating in Grand-14 events. This year promises even more activities as I take on responsibility for new committees. I am fortunate in the fact that the committees I will be working with are chaired by members who have done an excellent job in the past and will continue in their duties this year as well.

**HOUSE COMMITTEE**  
Co-Chairs Gordy Foote and Jim Damery keep things running at our mainstition clubhouse. Gordy, Jim and their team meet weekly to review

necessary improvements and maintenance issues around the club. Thank you for maintaining our clubhouse in excellent order!

**DOCKS COMMITTEE**  
Co-Chairs Chuck Gould, Ron Stevenson, and Dick Dow are the brains behind maintaining our Docks in excellent condition. They host monthly Dock Parties and are always happy to have new members join them in maintenance projects. This year they are beginning work on the lockers for which they have recently taken responsibility. Watch for upgrades!

**MOORAGE**  
Michele Bedner took on responsibility for this committee a couple of years ago. She has continued improvement on the moorage assignments along with keeping an eye on boat activity. Additionally, this year she has agreed to take responsibility for locker assignment. Great work Michele!

**OUTSTATION COMMITTEE**  
Eric and Barb Wood are caretakers of the Eagle Harbor outstation, a task they have performed excellently. Our outstation is enjoyed by many members of the club and the envy of our Grand 14 counterparts. In addition, they are responsible for our outstation at Deer Harbor and our many satellite outstations; Dock Street in Tacoma, Thetis Island, Ganges, Port Browning, Sydney, and Mill Bay. Thank you, Eric and Barb!

*Sandy Werner*

I am excited to be working with all these teams in the coming year. These volunteers are all excellent members and are great at the work they perform. Thank you all for your hard work!

I want to thank P/C Grimm for stepping in as Commodore this –ast year. He and his wife Karin have done a great job and I've enjoyed working with them both. And let me congratulate my fellow Bridge members; Terron Lindholme as Rear Commodore and Mark Reed as Commodore. I

look forward to working with you this next year to keep Queen City Yacht Club the excellent working order.

–Sandy Werner, Vice Commodore

### Docks Doin's

## OLD FASHIONED BARN RAISIN', OCTOBER 13, RAIN OR SHINE

The lockers between the garbage corral and the oil recycling bin are disgraceful. The old T-111 plywood facing has rotted away, all along the bottom of the face. While there's no truth to the rumor that neighboring organizations now call us the Queen City Rot Club, we need to correct this structural and cosmetic defect before they begin.

On Saturday, October 13, we will remove the siding from this bank of lockers and replace it with fiber-cement material of similar appearance. We will need all the

help we can get, as we will also be doing the annual under-dock inspection on the same Saturday. Free breakfast at 8:30 AM.

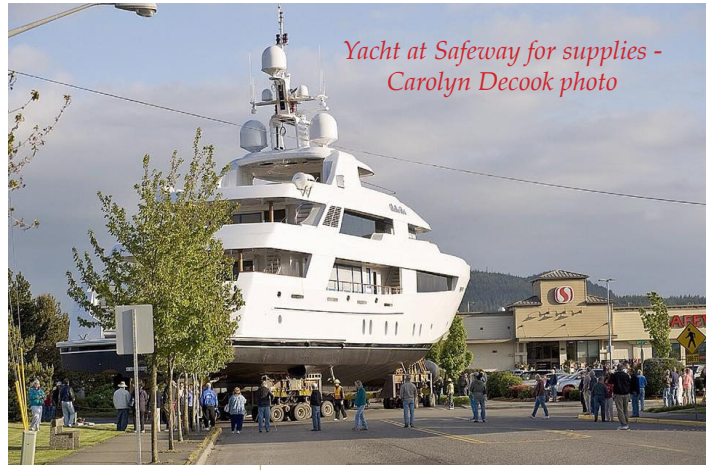

Please turn out to lend a hand. With a large enough crew, we will complete the work in just a matter of hours.

If you have items stored in one of those lockers, you should have been contacted by a bridge officer requesting your cooperation with this process on October 13. You will need to open your locker and secure your stuff during this rebuild.
